

## 2020 Membership

## Application / Renewal

The Truth principles as espoused by the Unity Spiritual movement resonate deeply with my soul. I understand that I am a Divine offspring of God, and that the Christ consciousness is my authentic self. I seek to live the Truth in all of my thoughts, words and actions. Therefore, I ask to become a member of Unity Center of Pittsburgh. I am open and willing to participate in ways in which I am led by the Spirit.
